The YA Flunder Foundation (YAFF) is a faith-based social justice 501c3 established by The Fellowship of Affirming Ministries. YAFF promotes national networks offering education, training, sponsorship and support for programs and initiatives that address injustice and inequality, while also advancing the social and moral inclusion of LGBTQ people from a Pan African perspective.

YAFF provides HIV/AIDS Education, supportive housing, senior meals and services, medical case management, after school programs for at-risk youth, Transgender Health Services, and sensitization and mobilization for faith leaders in urban America, Africa, Asia and Mexico. YAFF designs and implements social and policy advocacy at the local, national and international level.

YAF has established partnerships in Kenya, Rwanda, Zimbabwe, Cote d'Ivoire, Uganda, Mexico, Asia, the United States, and the Caribbean. Collaborations with "on the ground" networks are a distinguishing characteristic of YAFF's work. As heirs of the civil rights movement, African spirituality, Christian traditions, and prophetic witness YAFF has a vision for a radically inclusive 'revival' to usher in a new era of social justice.

YAF has institutional partners in government bodies, human rights groups, political advocates, economic development efforts, denominations and the academy. Besides The Fellowship Global, the YA Flunder Foundation programs include The Fellowship Institute of Theology and Project Access, which provide paths to justice based theological education and The Ark of Refuge youth HIV/AIDS services.
